My dear little Alice:-

Just a few lines to let  
you know that I still think of you and  
your sisters, mother and father. I have  
been in France for the last 5 days and  
I sure did enjoy the trip and wish  
that some day you will get the opportunity  
to tour the world. How are you Alice?  
How is your mother and father and sisters?

I hope that you are all getting  
along fine in your studies and  
enjoying the best of health.

-Is the balloon school still  
there?

Tell your sisters that I have forgotten  
their names, or I would have written to  
them.

Being that I have no more  
to say for the present, I close with best  
wishes and regards to all of you.

Yours in friendship.

{Uncle} Henry J. Contreras

P.S. Try to understand my writing as the  
ship is moving and rocking.
